Webinar: Your LGPS Pension and the McCloud Remedy

Affinity Connect has partnered with LGPS to launch a new live webinar: **“Your LGPS Pension and the McCloud Remedy.”**

This 90-minute session is designed specifically for **active and deferred LGPS** members who may be affected by the McCloud age discrimination remedy.

The webinar will help members understand how recent and upcoming changes could impact their pension and provide clarity on any actions they may need to take.

The session will cover:

- Key changes to public sector pensions as a result of the McCloud ruling
- Eligibility criteria and what protection under the remedy means
- Defined benefit pension scheme fundamentals, including final salary vs. career average
- Retirement options, contribution opportunities, and tax considerations

Who should attend?

This course is ideal for employees who:

- Joined LGPS or a similar scheme before 1 April 2012
- Had pensionable service between 1 April 2015 and 31 March 2022
- Were under age 65 during that period
- Have not had a break of more than five years in pensionable service

This is a valuable opportunity for you to gain a clear understanding of how the McCloud remedy may apply to your pension and to feel more confident about their pension planning.
